

MSMA MANAGER OF THE YEAR AWARD

The MANAGER OF THE YEAR AWARD is established by the MSMA National Board to recognize any member's outstanding contribution(s) to their company and to the profession. This award takes into consideration accomplishments made by the applicant throughout the past year, but is not limited specifically to that period. Projects can entail years of planning before execution, and all activities leading up to a major accomplishment is to be provided for review. The recipient of this award is recognized by their peers who deem them worthy of being honored for his/her professional accomplishments and for sharing their experiences with others. Any member can make nominations for this award for any other member, by completing the form on reverse side. Members may also self-nominate.

To be considered, all applications must be fully completed and must include a short resume/biography of nominee's accomplishments justifying the recommendation. All nominations should be submitted directly to the National Board of Directors - Awards Committee. The applicant must be a member in good standing with the MSMA and the nominee's Chapter must be in compliance with National reporting guidelines. Members at Large must be current in dues payment.

If you require any additional information or have questions regarding the application, contact the Managing Director, AOSP, Barbara Fahy at bfahy@msmanational.org
